The tenure of an independent director does not exceed a cumulative term limit of nine years. Upon completion of the nine years, an independent director may continue to serve on the board as a non-independent director.

If the board intends to retain an independent director beyond nine years, it should provide justification and seek annual shareholders' approval through a two-tier voting process.

Application	:	Departure
Explanation on application of the practice	:	
Explanation for departure	:	<p>The Board takes cognisance of Practice 5.3 of the MCCG that the tenure of an independent director should not exceed a term limit of nine (9) years. Although a longer tenure of directorship may be perceived to have an effect on a director's independence, the Board is of the view that the ability of long serving independent directors to remain independent and to discharge their duties with integrity and competency should not be measured solely by tenure of service or any pre-determined age.</p> <p>The Board seeks to strike an appropriate balance between tenure of service, continuity of experience and refreshment of the Board. Such refreshment process of the Board will take some time and cannot happen overnight in order to maintain stability to the Board. Furthermore, the Company benefits from such directors who have, over time, gained valuable insights into the Group, its market and the industry.</p> <p>The Board continues to retain the Independent Director beyond nine (9) years and will seek shareholders' approval through a two-tier voting process at the forthcoming Annual General Meeting ("AGM").</p> <p>In justifying the decision, the NRC is entrusted to assess the candidate's suitability to continue as an Independent Non-Executive Director based on the criteria on independence and to disclose the reasons for retaining him/her as Independent Director in the Notice of AGM.</p> <p>Although Dr Arjunan Subramaniam, Mr Lau Nai Pek and Datin Mary Sa'diah binti Zainuddin have served beyond nine (9) years on the Board as Independent Non-Executive Director, their long tenure has not impaired their Independent Director's background and can continue to bring independence and objective judgment to the Board's decision with their vast experience and background qualification.</p>

	<p>Dr Arjunan's position as Independent Non-Executive Director is also subject to prior yearly assessment by the Board through the NRC. Further, his seniority, intellectual honesty, bona fide commitment and vast knowledge in various areas of finance, legal and particularly his specialized knowledge in Tax matters, warrant his retention as Independent Non-Executive Director and Senior Independent Director of the Company to which the Board seeks shareholder's approval at the forthcoming Annual General Meeting. Furthermore, he is prepared to voice his opinion without fear or favouritism on tough situations and able to challenge ideas and provide perspective to Management. In addition, in maintaining strong independence on the Board with tenure of more than nine (9) year, Dr Arjunan also provides a bi-annual declaration of independence to the Board.</p> <p>Mr Lau Nai Pek was appointed as Independent Non-Executive Director on 22 July 2011. The NRC has assessed the Independency of Mr Lau Nai Pek and he has met the criteria as Independent Non-Executive Director pursuant to MMLR. Although having served for a cumulative term of more than nine (9) years, Mr Lau Nai Pek is subject to yearly assessment and review by the Board through a transparent criteria evaluation. His valuable advice on financial and accounting matters and wide knowledge will continue to add credence to the Company and will not have any adverse effect in his independency as Independent Non-Executive Director.</p> <p>Further, his accounting and financial experience, honesty and genuine commitment to serve in the best interest of the Company and his position as an Independent Non-Executive has no conflict of interest or undue influence from interested parties.
